

## Happy Crow Tavern – Commission Request Form (Illustrations)

---

 *If you are a minor, please do not complete this form.* 

---

Hey there! Let's create something awesome together!

I draw any furry, anthro, human, goblin, elf, orc, monster, pokésonea, digisonea, or fanart! If you're unsure about something, just hit me up—no worries at all! (I'm totally cool with drawing your OCs too!)

Before you fill out this template, please add me on Discord first: @crow\_maid. Generally speaking, anything I've drawn in the past is fair game! If you have a specific idea in mind, feel free to describe it, but for the best results, have some reference images ready and DM them to me on Discord. (Or you can send me the template via discord and then we can discuss the details)

This template is just a rough idea of what I could draw for you—specific details, poses, and tweaks will be discussed on Discord! Keep in mind that my skills aren't limitless, so if I think a pose or request is too complex for me, I might need to kindly decline.

If you want more info, feel free to hit me up directly on X, Bluesky, or Discord, or check out my info page here: <https://happycrowtavern.neocities.org/>

Please keep in mind the prices on my page and do not send me the template if you do not plan to pay for my services

Turnaround times are usually pretty fast, but if you wanna know where you stand in my queue, check out this link: <https://trello.com/b/EfTmZ7Zz/happy-crow-tavern-commissions>
